

# SKB Styroterm

- ✓ box shape: square
- ✓ box: PVC with dimensions of 260x260 or 300x300 mm
- ✓ inspection flap: from inside or outside
- ✓ curtain type: aluminum or PVC
- ✓ guides: aluminum or PVC
- ✓ maximum box width: 3000 mm

Curtains colour palette is available on the platform [benefit Eko-Okna](#)

SKB Styroterm has been designed to be built entirely in an insulation layer, thanks to which the box remains an unnoticeable element of the facade.
